

# Showcasing Youth Voices: **CALL FOR SUBMISSIONS!**

To be presented at:

Share a video or picture that connects your **HEAD, HEART** or **HANDS** to an environmental issue.

When was a moment you connected with the environment?

What is important to you within your environment?

What actions within your environment are you inspired to take?

Submission details:

1. **Small description (Text or voiceover)**
2. **No faces!**
3. **Send to: [daphne.chalmers@mail.mcgill.ca](mailto:daphne.chalmers@mail.mcgill.ca)**

**HANDS:** The C-Vert Youth Group painted a mural in collaboration with an organization that brings sustainable action and decoration through awareness and aesthetic in neighborhoods in Montreal.

**HEART:** A teen group bonds through sharing pine tree tea over a “leave no trace” fire, assembled all together by using dead trees and later returning the place to how they found it.

**Heart:** Daphne goes on walks in the forest to learn from the trees about community.
